Hotel Majestic Rome "La Dolce Vita in the XXI Century"

Customers can count on a high level of professionalism and experience, coupled with continuously updated research, both in the field of art and in the products used in the salon.

Baldestein Hair Design and Beauty Centre offers a wide range of services and treatments for hair, hands and feet, as well as threading hair removal, makeup, bridal services and much more.

Wellness Center:

The Beauty & Wellness centre signed by Baldestein is one of our latest news.

If you need a massage session to get rid of the tension accumulated during an exhausting day, or if you need a relaxing treatment before facing a long lasting work meeting, come and visit us in our premises and find out what our specialised staff can do for you. But if you feel too tired or lazy, call the Conciergerie, and they will be happy to organize any type of massage or beauty treatment for you, in the privacy of your room.

Fitness:

When you feel you need a good regenerating workout, or if you simply want to keep your fitness state without missing a day of your regular exercising schedule, our fitness room is there, ready for you.

Located on the mezzanine level, the gym offers 24/7 free access and it is equipped with state of the art cardiovascular equipment by TechnoGym, integrated TV sets and a relaxation area. Personal trainer available upon request.

Meeting Rooms:

Our Our Function Rooms Verdi, Vivaldi & Chopin are named after famous musicians. Partly, to reflect the elegance and their undisputed style, but also for the shape of our building that recalls a piano.

Varying in size from 25 – 250 sqm, our venues, combined with our attention to details, will ensure the success of your private event.
