

Hotel Albani Firenze

L'Hotel Albani Firenze is an exclusive retreat in the historic heart of Florence. Designed for the most demanding tastes, it features high ceilings, fabric-covered walls, fine carpets and refined finishes. The building is a finely restored "early 20th century" residence located just a few steps from Piazza Santa Maria Novella, the Fortezza da Basso fairgrounds and many of the city's main touristic sites.

The hotel has 97 impeccably designed rooms with elegant furnishings, sumptuous curtains, Carrara marble bathrooms and every comfort to ensure guests a peaceful and satisfying stay.

The Bernini restaurant offers excellence in the preparation of local and international food and in the quality of the service offered, with a special journey between recipes of the Florentine Renaissance and wines from our private cellar.

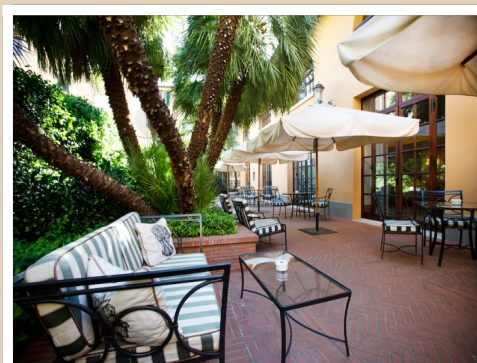

The Albani boasts the largest Congress Center that can be found in the centre of Florence. The spacious and bright function rooms, connected by a large foyer, reflects the refined style of the hotel and feature the most requested technological equipment.

On the way back from a site-seeing walk or after a business meeting, our internal Garden or our Lounge Room are the ideal places to enjoy drinks, snacks and quiet. And for fitness lovers there is the gym, a perfect place to cut out some time for oneself.
